October 2017

TRAFFIC CONTROL ON MASON STREET AND MCDOWELL AVENUE FOR MATERIAL HAULING

Beginning Monday, October 23, for approximately four weeks

Beginning Monday, October 23, for approximately four weeks, traffic control is scheduled along Mason Street and McDowell Avenue. Work includes loading and transporting material between Cavalry Bowl and the Main Post bluff and is scheduled for Monday through Friday from 7:00 a.m. to 7:00 p.m.

Please exercise caution around trucks and large equipment, and obey instructions from signage and flaggers. Thank you for your patience during this activity.

All dates are subject to change due to weather and unforeseen conditions.

Please visit www.PresidioParkway.org for up-to-date information.
