

## MEDIA ADVISORY MEDIA ADVISORY MEDIA ADVISORY

### Drive and Experience the New Doyle Drive Drive the Completed Doyle Drive Structures in Advance of the Roadway Opening

**WHAT:** There will be a tour on Tuesday, July 7, at 11:00 a.m. to allow media to drive on the completed Doyle Drive structures in advance of the roadway opening. The driving tour will include the Main Post Tunnels, Girard Road Interchange, northbound High Viaduct and the northbound Hwy 101 to southbound Hwy 1 hook ramp. Attendees will use their own vehicles for the driving tour and will follow a lead car between site locations. Please note that some minor off-roading will be required through a portion of the construction site

**WHEN:** **Tuesday, July 7, 11:00 a.m.**  
\*Photo, video and interview opportunities will be provided during the tour.

**WHERE:** Meet at the corner of Girard Road and Gorgas Avenue (see map for location). Personal safety gear will be provided. To access the project site, all visitors must wear sturdy footwear and long pants.

Driving locations will include (see maps for reference):

1. Southbound Main Post Tunnel (Highway 101) and off-ramp to the new Presidio exit and new access to Marina Boulevard
2. Marina Boulevard on-ramp to northbound Highway 101 and the Main Post Tunnel
3. Northbound High Viaduct (Highway 101) to the hook ramp exit to southbound Highway 1
