### LANE CLOSURES & INTERMITTENT TUNNEL CLOSURES FOR FIRE DRILL

Saturday, February 10, beginning at 10:00 p.m.

On the evening of Saturday, February 10, from 10:00 p.m. until 4:30 a.m. the next morning, there will be lane and shoulder closures in both directions on US-101 from Richardson Avenue-Gorgas Avenue to the Golden Gate Bridge Toll Plaza. The Marina Boulevard off-ramp and Girard Road on-ramp will be closed during this time to allow for truck staging, with appropriate detours in place.

Given the need to test fire suppression systems inside the tunnels over this extent, there will be intermittent traffic blocks of remaining trafficked lanes by California Highway Patrol (CHP), in one direction at a time, lasting from three to five minutes.

The Office of the State Fire Marshal, the CHP, Caltrans and other local and regional jurisdictions are participating in the drill.

Please exercise caution when travelling in the area, and obey instructions from signage and traffic control. Thank you for your patience during this activity.

All dates are subject to change due to weather and unforeseen conditions.
